Well you only need the light when it's burning low
Only miss the sun when it's starts to snow
Only know your lover when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin' home
Only know your lover when you've let her go
D
And you let her go

Em C
Staring at the bottom of your glass
D Bm
Hoping one day you will make a dream last
Em C D
The dreams come slow and goes so fast
Em C
You see her when you close your eyes
D Bm
Maybe one day you will understand why
Em C D
Everything you touch all it dies

Because you only need the light when it's burning low
Only miss the sun when it's starts to snow
Only know your lover when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin' home
Only know your lover when you've let her go

Staring at the ceiling in the dark
Same old empty feeling in your heart
Love comes slow and it goes so fast
Well you see her when you fall asleep
But to never to touch and never to keep
Because you loved her to much
And you dive too deep

Because you only need the light when it's burning low
Only miss the sun when it's starts to snow
Only know your lover when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin' home
Only know your lover when you've let her go

And you let her go
Oooooo oooooo oooooo

And you let her go
Oooooooo oooooo oooooo

And you let her go
